Dear Partner,

We are excited to announce the launch of USAID's new website, [WorkwithUSAID.org](https://www.workwithusaid.org)! We strongly encourage you to register your organization in the [Partners Directory](#), which will allow your organization to create a profile and connect with others in the development community to more easily forge partnerships in acquisition and assistance. The content of these sessions will be identical, so please join the one that is most convenient for you. You can register at the links below:
