

## Notification of Extension (30-days) - USAID/Ukraine Evacuation Authorities

Dear Implementing Partners:

I hope this message finds you well.

I'm writing to notify you that the USAID/Ukraine Mission Director (MD) has authorized a 30-day extension (through April 22, 2022) to the authorities highlighted in my January 25, 2022 letter entitled, *Guidance to USAID/Ukraine Implementing Partners on Operations in Ukraine and Administrative Approvals*. Please note that the evacuation authorities found in this letter cover your U.S./TCN personnel and their dependents.

In addition to the above extension, the USAID/Ukraine MD has also authorized a 30-day extension (through April 25, 2022) to the authorities highlighted in my February 26, 2022 letter entitled, *Updated Guidance to USAID/Ukraine Implementing Partners on Operations in Ukraine and Administrative Approvals*. Partners should continue to follow their own internal policies and local Ukrainian labor laws in relation to the payment of a 13-month salary payment and/or salary advances. Please note that the evacuation authorities found in this letter cover your CCN personnel only.

I've attached a copy of both letters to this message for ease of reference.

If you have any additional questions related to this email, please feel free to email me.
