Earthquake DART USAR Assessed Communes

Response activities shown include active USAID/BHA-funded programs responding to earthquake-related humanitarian needs and programs responding to needs related to the complex emergency in Haiti.

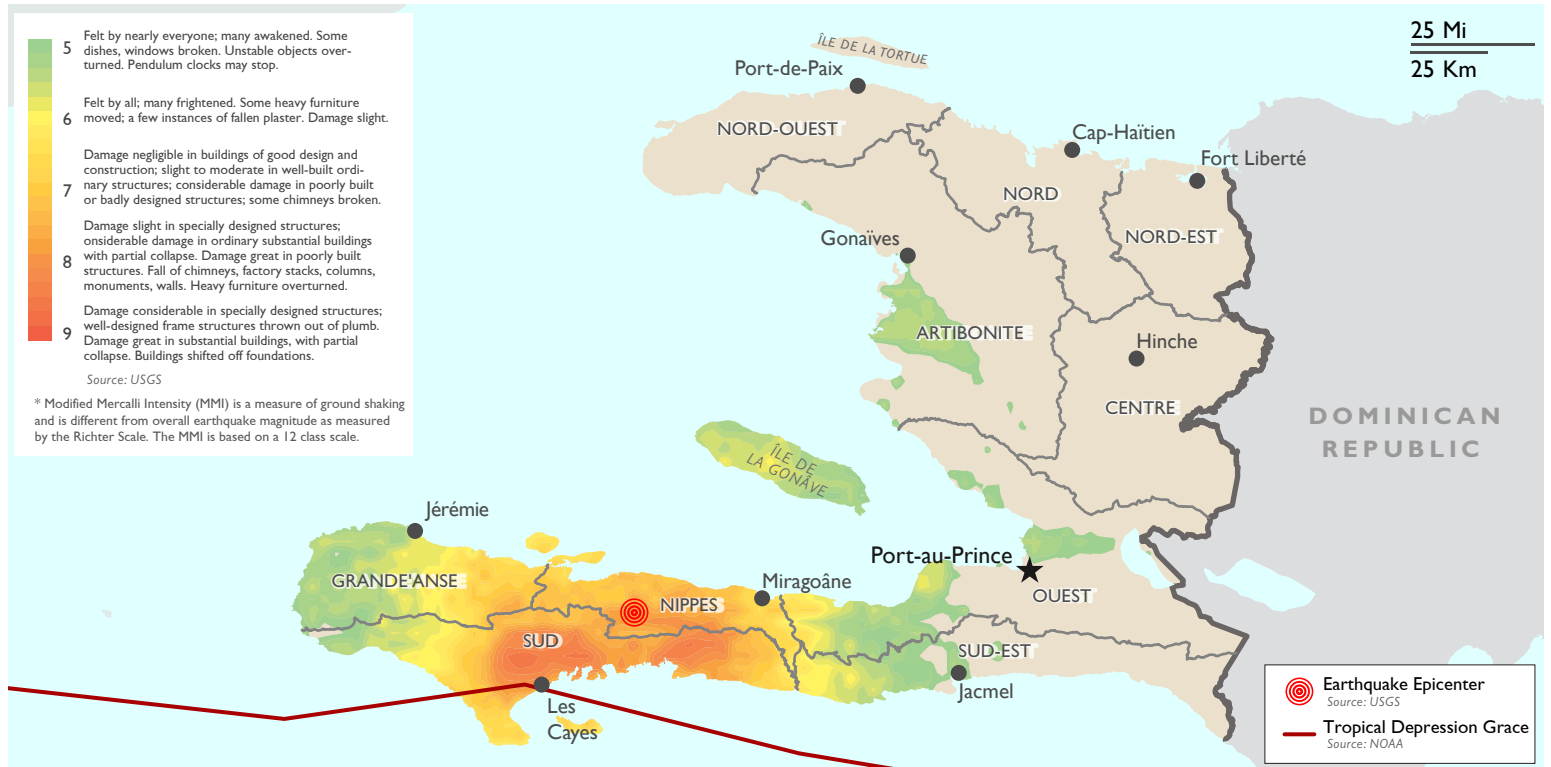

August 14 Haiti Earthquake

- 5** Felt by nearly everyone; many awakened. Some dishes, windows broken. Unstable objects overturned. Pendulum clocks may stop.
- 6** Felt by all; many frightened. Some heavy furniture moved; a few instances of fallen plaster. Damage slight.
- 7** Damage negligible in buildings of good design and construction; slight to moderate in well-built ordinary structures; considerable damage in poorly built or badly designed structures; some chimneys broken.
- 8** Damage slight in specially designed structures; considerable damage in ordinary substantial buildings with partial collapse. Damage great in poorly built structures. Fall of chimneys, factory stacks, columns, monuments, walls. Heavy furniture overturned.
- 9** Damage considerable in specially designed structures; well-designed frame structures thrown out of plumb. Damage great in substantial buildings, with partial collapse. Buildings shifted off foundations.
