FROM THE AMERICAN PEOPLE

**United States Agency for International Development/India
Industry Day for Expanding Local Partnerships**

United States Agency for International Development (USAID) is the world's premier international development agency driving development results. USAID's work advances U.S. national security and economic prosperity, demonstrates American generosity, and promotes a path to recipient self-reliance and resilience. To learn more about USAID, please visit www.usaid.gov.

India is a partner in advancing USAID's shared objectives to support clean energy, environment, climate challenges, health, open and inclusive digital ecosystems, inclusive economic growth, in India and across South and Central Asia and the Indo-Pacific region. To learn more about USAID/India's work, please visit www.usaid.gov/India. In support of these shared objectives, USAID/India has planned an in-person Industry Day in New Delhi, Mumbai, Bangalore, and Kolkata to highlight shared priorities, and present USAID plans for current and/or future activities in various sectors in hopes of expanding local Indian partnerships.

USAID/India cordially invites local Indian organizations to the first **In-Person** Industry Day which will be held in **New Delhi** (venue will be provided via individual invitation) **on Friday, March 17, 2023, from 9:00 am to 4:00 pm India Standard Time. Specifics for future Industry Days to be held in Mumbai, Bangalore, and Kolkata will be provided in a separate notice.**

USAID seeks the participation of local Indian partners/organizations working in the technical sectors such as: Clean Energy, Environmental, Forestry, Sustainable Landscapes, and adaptation, Biodiversity, Health (Family Planning/Reproductive Health, Maternal and Child Health, Polio, Tuberculosis, HIV/AIDS), Water Supply, Sanitation and Hygiene, Education, Tibet Resilience, Digital Preservation of Documents, Disaster Risk Reduction, and Monitoring and Evaluation. Participation is limited to 100 participants, therefore, **only ONE** slot per organization will be allotted and reservations will be given to the first 100 respondents. However, organizations **may propose up to TWO people, identifying the order of priority for the two proposed individuals.** The second proposed individual will be placed on a waiting list, and her/his invitation to attend will be confirmed separately by USAID.
